

Better Mobility Warranty Information

Premier Care Warranty

It is impossible to put a price on the freedom your mobility product will give you. However it is possible to put a price on the cost of ensuring that you are able to keep mobile at all times.

Unfortunately repair costs can be extremely expensive, as some of the components used to build today's mobility products are highly sophisticated.

Premier Care Warranty has been specifically designed to give you complete financial protection.

Premier Care Warranty Key Benefits

- ⌚ Sudden and unforeseen mechanical and electrical failure. Covering parts labour & call out charges.
- ⌚ No Excess
- ⌚ No Claim Bonus
- ⌚ World-Wide Cover (Subject to prior notification to MBL Customer Service)

Main Exclusions

- ⌚ Routine maintenance and servicing costs
- ⌚ The first 90 days cover where the Mobility Product is outside the manufacturers Warranty at the inception
- ⌚ Costs where no fault found
- ⌚ Fair Wear and Tear

Premier Care Warranty is available on new and used Mobility products. The cover on new products commences immediately after the manufacturers guarantee expires giving total period of 2 or 3 years.
