

# IBIS **XP**

IBIS X-Series

## Compact electric wheelchair

*Ibis XP. Compact and comfortable, a perfect combination. The Ibis XP provides an excellent solution for those people who are no longer able to move themselves manually or foot-propelling, yet want to remain independent. Mobility is key with this no-nonsense electric wheelchair. With its compact design the Ibis XP is highly manoeuvrable and easy*

*to use. FWD or RWD, the Ibis XP provides a smooth ride and maximum manoeuvrability. Ideal for home and hospital use, but also for use around the house. Of course, the Ibis XP incorporates the individually adjustable Sedeo® seating system, ensuring maximum mobility as well as great comfort – for an excellent price.*

## YOUR LIFE, OUR DRIVE

### Excellent manoeuvrability

Due to its compact design, the Ibis XP is highly manoeuvrable. It provides a smooth ride and maximum manoeuvrability indoors. FWD and RWD available.

### Easy to use

The Ibis XP is very user-friendly. Easy to operate controller, simple for transfers. The Ibis XP is both comfortable and safe.

### Maximum comfort

The fully individually adjustable Sedeo® seating system provides excellent physical support and maximum comfort.

### An attractive price

The Ibis XP solves your mobility problems with the utmost in comfort.
