

PACIFIC-ATLANTIC

Electric indoor/outdoor wheelchairs

Pacific / Atlantic. When extra weight capacity is required. Heavy weight makes special demands of a powered wheelchair. For this reason, movingpeople.net has designed a modern electric wheelchair for people with a weight of up to 200 kg as standard (300 kg plus, with our 'special build' option). Available as RWD (Pacific) and FWD (Atlantic), this wheelchair offers excellent driving characteristics for indoor and outdoor use. Uneven road surfaces will pass you by unnoticed due to the efficient suspension system.

Halogen lights and indicators ensure safe driving at night, as you are clearly visible in the dark. Combining a proven concept with durable components and powerful motors specially developed for heavy weight use, the Pacific and Atlantic guarantee high reliability and durability. The functional and comfortable seating system is fully adjustable and offers various cushion types. A full range of electrical adjustment options is available, and of course, individual adjustments can be made to meet specific needs.

YOUR LIFE, OUR DRIVE

PACIFIC-ATLANTIC

Heavy weight use

The Pacific and Atlantic are specially designed for heavier people. Reliability and durability are guaranteed.

Perfect driving characteristics

Highly manoeuvrable, the Pacific and Atlantic ensure a smooth ride, even on rugged street terrain. Powerful motors and excellent suspension. The sophisticated electronics systems can be adjusted to meet personal driving preferences.

Maximum comfort

The fully adjustable seating system provides maximum safety and comfort. Various cushions (width 60 or 65 cm) and leg rests, incl. length compensating leg rests, are available.

Full range of adjustment options

The Pacific / Atlantic can be fully customized to satisfy the specific requirements of the individual. A wide range of electrical adjustment options, incl. backrest recline, tilt-in-space and legrests, is available.
