

rascal 388/388XL

PROVEN PERFORMANCE, MORE CHOICE

Choosing a mobility scooter that has a proven track record is always a good idea. Choose from the Electric Mobility Rascal 388 series and you will see why. Owners of the 388 (4mph) are already enjoying their freedom with the peace of mind that they can totally rely on their Rascal for comfort, reliability and value.

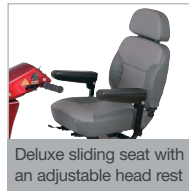

Continuing this heritage, Electric Mobility now introduce the outstanding 388XL (6mph), a Class 3 vehicle with a full lighting kit and improved performance. The 388XL truly takes scooter design to another level.

rascal 388/388XL

Electric Mobility and Pihsiang have produced the Rascal 388 and 388XL to give you the most out of life. At just 21" wide, they are easy to manoeuvre and the controls are simple to adjust to your exact requirements. Both feature a luxurious seat to take you wherever you want to go in total comfort. Available in red or silver, these scooters have a remarkable level of features designed to help with day-to-day living.

Choose either the 388 or 388XL – and change your life forever.

Narrow 21" width for good manoeuvrability

Deluxe sliding seat with an adjustable head rest

Width adjustable arm rests that lift up for easy access

5-position adjustable tiller

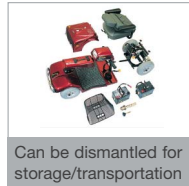

Lift up tiller head for support and easy access
