

POWERED SCOOTERS

Strider MAXI 4

The **Strider** Maxi 4 scooter is suitable for both payment and highway use. With this in mind the scooter has been designed for both robustness and comfort for those longer, more demanding journeys. It goes without saying that all the features you would expect from a product of this calibre are included as standard. These include full suspension, lights & indicators, hand brake and a comfortable fully adjustable captain seat.

FEATURES AVAILABLE:

- Built-in stylish & protective front & rear bumpers
- Full front & rear oil damped suspension providing a superior, more comfortable ride
- Two-tone captain seat for extra comfort
- Custom designed alloy wheels
- Ergonomic easy to use tiller design
- Infinite push / pull tiller adjustment with auto return feature
- Maximum speed 12.8kph (8mph)
- Handbrake, safety belt & rear view mirror come as standard
- Adjustable sliding rotating seat – in order to find that perfect driving position
- Exceptional foot space available
- Conveniently positioned high-mount charging socket
- 70ah batteries – giving the ability for the user to travel up to 56km (35 miles)
- Maximum user weight 200kg (31stone)
