

POWERED SCOOTERS

Strider MIDI 4

The **Strider** Midi 4 has been specifically designed with the end user's requirements in mind. Particular attention has been paid to styling, safety, comfort and ease of use. With integral front / rear lights & indicators, handbrake and mirror included, the Midi 4 has a lot more to offer as standard. The Midi 4 is surprisingly manoeuvrable for a medium size scooter and with its large footboard space it allows plenty of room for comfort. Transportation has also been made easy with a 3-step dismantling system.

FEATURES AVAILABLE:

- Rotating, sliding comfort seat - Achieve best driving position & safe entry / exit of scooter
- Integral light, indicators and handbrake as standard - For style & added safety
- Extra foot space - For added comfort
- User friendly lever controls- Easy to drive, in comfort
- Easy adjust push / pull handlebar system – Allows the most comfortable driving position
- Exceptional turning ability – Easy to manoeuvre in tight spaces
- Protective front and rear bumper - Easy to push doors open and keeps the scooter looking good
- Adjustable wing mirror, seat belt and high mount freewheel lever as standard – for added safety
- 30ah batteries – giving the ability for the user to travel up to 32km (20 miles)
