STERLING

Diamond

Be inspired by the Diamond, a beautifully packaged 8mph scooter

If you are looking for speed, style and comfort in a compact package, consider the Sterling Diamond. The Diamond has a classic look with a powerful 8mph maximum speed. The full suspension chassis offers an exciting ride with great stability. Large wheels and narrow profile tyres offer easy manoeuvrability on all surfaces including rough terrain.

Suspension for added comfort

Stylish alloy wheels

Fully adjustable captain seat

Full lights and indicators package

Dual drive for finger or thumb control

Compact design for easy manoeuvrability
