

Emerald

Standard for comfort and drive

STERLING

INNOVATE.
BUILD FOR THE FUTURE

STERLING

Emerald

Be inspired by the Emerald a scooter for life ...an outdoor life

If you are looking for style & comfort in a compact package, consider the new Sterling Emerald. The Emerald has a sporty look with a lively 6 mph maximum speed. The full suspension chassis offers an exciting ride with great stability. Larger wheels & narrow profile tyres make for easier steering but at the same time easy to drive over rough terrain.

Suspension for additional comfort

Stylish alloy wheels

Stylish lights & indicator package

Fully adjustable captain seat
