### Storage of Sunrise wheelchairs in Ford vehicles

Ford Motor Company Limited has worked in association with Sunrise Medical to produce an informative leaflet to assist wheelchair users to understand which of their wheelchairs are compatible with Ford vehicles. Use and storage of the wheelchairs in Ford vehicles and scooters must be undertaken in accordance with the manufacturer's guidelines/user manual.

### Wheelchair passenger in wheelchair during transportation

We recommend the wheelchair user NOT to be in the wheelchair at any time, during the transportation in the vehicle.

### Crash testing wheelchairs

Most of Sunrise Medical Ltd's wheelchairs have been crash tested. For further details or to request our crash test booklet, please contact our Customer Services on 01384 446622.

### Moving and Handling

Some of the wheelchairs exceed the maximum handling weight under the current lifting and handling regulations. Therefore ramps or alternative lifting equipment might be needed. Please contact MAGIC on freephone 0800 240 241 for further information.

### LEGEND

- Split rear car seats
- Ramp needed to wheel the wheelchair or scooter into the boot of car. For alternative solutions please read the Moving and Handling section above
- ✓ Wheelchair will fit in car
- Optional half folding backrest is required to fit the chair in the car
- PS Passenger seat
- WC Wheelchair or scooter
- Remove parcelshelf
- \* Largest size chair is measured to fit in the car, any WC sizes under 16" seatwidth x 16" seatdepth, might make it unnecessary to remove or fold down car seats to take out parcelshelf

# Improving people's lives

MAGIC and Sunrise Medical Ltd are working in association to provide end users and professionals access to information regarding the compatibility of Ford vehicles and Sunrise wheelchairs. We will help them to make informed product choices regarding cars and wheelchairs to improve their overall mobility.

# Creating new possibilities

Mobility and General Information Centre

Ford Motor Company Limited, as a founding manufacturer of the Motability Scheme, has helped nearly 500,000 people get mobile since 1977.

MAGIC (Mobility and General Information Centre) is a dedicated care centre providing free and comprehensive information to anyone who has questions about motoring and mobility issues. The MAGIC team of Customer Service Advisors, many of whom have personal experience of disability, can provide information on a variety of topics including: where to go to check eligibility, information on the Ford product range and other manufacturers' vehicles, driving instructors, assessment centres, adaptation companies, charities and holidays.

Whether you simply need a phone number, a brochure or just want to talk over your situation, the MAGIC team is there to help you.

Sunrise Medical Ltd is one of world's largest manufacturers and distributors of homeware and extended care products.

The mobility range consists of a large family of manual and powered wheelchairs and scooters which are distributed across the UK by a national dealer network, offering a fully integrated solution from assessment to after sales service.

The mobility range encompasses state of the art design and superior performance to accommodate a variety of lifestyles and different needs. Each of these products is customised to the specifications of the individual to ensure optimal seating and positioning, mobility and performance.

Mobility brand names include Breezy, Quickie, Powertec, Sterling and Sopur.
