☐	Transport axle	1591362	£68
☐	Ergonomic stubaxle	1591500	£131

Do you want to use both your standard and e-motion wheels in the future? If so, please order the retrofit stub axle.

Manual wheel axle retrofit for e-motion * / **

Retrofit, stub axle to 1/2" diameter ☐ £103

*If the manual wheels are used in combination with e-motion, these must be fitted with 1/2" stub axles, without drum brakes and 1" wide tyres.

**If drum brakes are installed, these must be removed as they are not compatible with e-motion. Standard lever brakes are used instead.

*maybe required depending on wheelchair type

Comments (mounting etc.)
