Simple
four button
operation

Get yourself mobile with The Mini Hoist

Thanks to its advanced engineering and superb design, The Mini Hoist is ideal for lifting mini scooters or wheelchairs effortlessly into the back of a car at the touch of a button – yet can be easily detached to save valuable space in the boot.

Lift and load in just 60 seconds!

-   Easy to use
-   Lifts all types of mini scooters and wheelchairs
-   Manufactured in the UK
-   Over 300 vehicle specific installation kits
-   Lifts up to 80kgs
-   Transfer easily to your next vehicle

How The Mini Hoist works

Attach mini scooter or wheelchair using the easy to use attachment strap

Press the button to begin hoisting

Gently guide your mini scooter or wheelchair as it lifts

The seatbelt restraint ensures your mini scooter or wheelchair is safely stowed

With two lifting capacities, 40kgs and 80kgs the Mini Hoist is ideal for folding scooters and wheelchairs.

Why thousands of people choose the Mini Hoist

- Simple and easy to operate.
- Lift and load in just 60 seconds.
- Easily transferred to your next vehicle.
- Lifting capacity of up to 80kg.
- Maximum boot space when not in use.
- Manufactured in the UK.
