PowerDrive

Comfort wheelchair with attendant control

Ibis PowerDrive. Enjoy the freedom to move together. With the Ibis PowerDrive you get all the benefits of Sunrise Medical's multifunctional Ibis comfort wheelchair, whilst enjoying a new level of freedom due to the unique PowerDrive attendant control system. Pushing a wheelchair was never easier: Simply set the desired speed level, squeeze the throttle and off you go, together. Effortless and safe, also if the carer is older or less able. The powerful motors ensure a smooth ride and great manoeuvrability. Naturally, the Ibis PowerDrive is fitted with Sunrise Medical's award-winning Sedeo seating system, combining high adjustability with a wide range of interchangeable options. This ensures ergonomic comfort and allows for easy customization to fit individual requirements. Ibis PowerDrive is ideal for home and hospital use.

IBIS PowerDrive

Ergonomic comfort

The award-winning Sedeo seating systems offers a new level of seating comfort, combining the highly adjustable Sedeo Pro seat frame with a wide choice of interchangeable support and positioning options. Available with unique manually elevating central legrest with length compensating capabilities.

Maximum freedom

Moving this Ibis comfort chair becomes effortless and safe for any carer with the unique PowerDrive attendant control. Powerful motors ensure a smooth ride and great manoeuvrability. Ideal if the carer is older or less able. Enjoy a new level of freedom, together.

Total flexibility

Truly modular in design, the Ibis PowerDrive comfort chair allows for easy customization to suit individual requirements, and quick adjustment to changing needs.
