M3 Corpus[®]

permobil

More freedom

The M3 Corpus® has a compact base offering great maneuverability in tight spaces while with remarkable outdoor performance. It comes with comprehensive functionality and stability in various seating positions.

Corpus® – follows the contours of the body

The Corpus® seating system features an ergonomic design that follows the contours of the body. Improved comfort, pelvic positioning, lateral stability and immersion are all key objectives of the new Corpus cushions.

Corpus cushions feature softer dual-density foam on the backrest, a re-designed pelvic well and Stretch-Air™, a breathable, water-resistant cushion fabric that is machine-washable at 60°C.

Active Reach

Tilts the seat forward by up to 20° and raises it to extend functional reach, aid in transfers and your daily activities.

Active Height

Enables you to drive up to 5 km/h while fully elevated and combines seamlessly with *Active Reach* to give you the ultimate advantage in accessing your environment.

Power recline

Smooth and safe power recline with seamless sheer reduction for any user up to 150kg.

Programming simplified

QuickConfig is a new innovative app designed for service technicians, clinicians, and providers that offers a simpler way to configure parameters and an intuitive interface to set up M3 Corpus with your preferred driving and seating characteristics.

**Active Reach truly putting
the world within reach**

**The power recline with
seamless sheer reduction
moves between positions**

M3 Corpus[®] Specifications
