# A durable and agile drive experience

The Progeo Duke is an ultra-light rigid frame wheelchair, made of carbon, and offering the design and performance of a made-to-measure wheelchair with options for adjustment.

For experienced active manual wheelchair users who want the clean minimalism of a carbon fiber frame combined with the ability to make small adjustments should your driving experience or seating support need minor changes over time.

## Progeo Duke

|                            |   |
|----------------------------|---|
