LETTER OF ACKNOWLEDGEMENT

We would like to point out that using the 10/15/21 Kph power version of the attitude in road traffic is only permitted in certain countries, otherwise it may only be used on private land.

In the absence of approval, in accordance with the road traffic laws, the *ATTITUDE Power* version 10/15 and 21kph version may not be driven on public roads or even cycle ways. You need to check your country specific legislation about the use and insurance duty of the attitude 10/15/21kph power version.

When placing an order, please sign below to confirm that you have understood the information and that we should deliver the 10/15/21kph version of Attitude Power.

If you want to use the *ATTITUDE Power* 10/15/21kph versions in another country, you must first obtain information about the regulations and legislation in force there.

I hereby confirm, that I am aware of these circumstances and that I will strictly the country specific legislation.
