Bradshaw Nursing Care See pages 59-89

Bradshaw Nursing Care Bed:

1275/STD/LOAK/S

Key Features:

Electrically operated profiling bed for Community and Nursing Home use.

Variable height for ease of client access and to ease the work of the carer by reducing client lifting and handling.

Infinitely variable tilt.

Quick and easy assembly, even within limited spaces.

Adjustable self locking side rails providing additional safety which can be released at both head and foot ends.

Lockable handset.

Attractive domestic appearance with high quality covered wooden head and foot ends and full length integral wooden side rails. The bed breaks down into four sections and, when not in use, it can be disassembled and stored on transport stands enabling safe and compact storage.

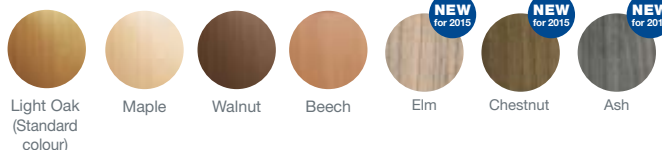

3 year warranty (1st year parts & labour, 2nd and 3rd year parts only) .

Standard Bradshaw finish is light oak, however we now offer the bed in 6 other wood finishes. Minimum order quantities apply.

Maximum user weight of up to 180kg (28st).

Colour options: Head and foot ends

Colour options: Padded Head Ends
