

doorline™-wedge

“Simple threshold solution”

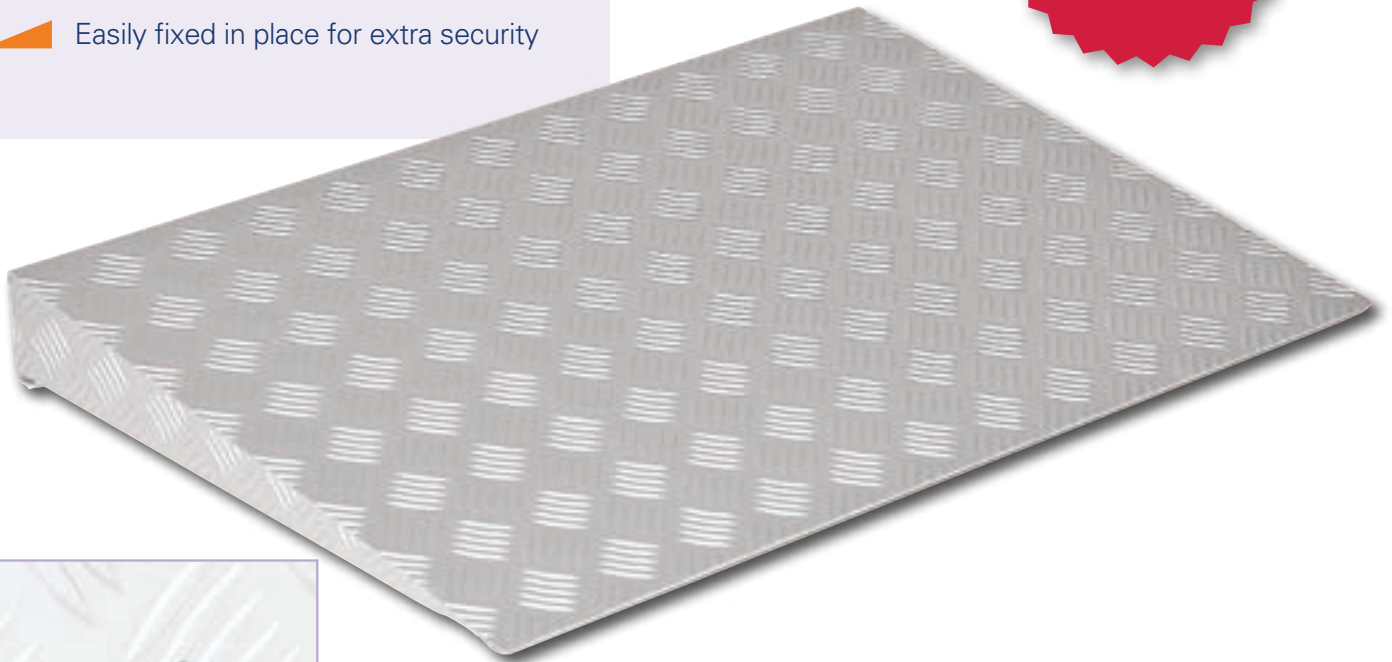

This classic wedge ramp is still one of the simplest solutions to internal and external steps and thresholds.

Your benefits:

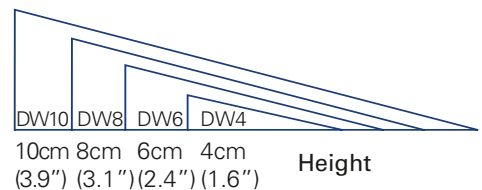

- ▶ Extremely lightweight
- ▶ Excellent grip surface
- ▶ Anodised aluminium finish prevents stains and corrosion
- ▶ Easily fixed in place for extra security

WIDE RANGE OF SIZES

Easily fixed in place

Custom versions available

Key Product Information

For help selecting length see Ramp Guide P4&5
