Features

- ▶ At the touch of a button, gently lowers users down to bottom of bath for bathing and relaxation then raises them to top again for safely getting out
- ▶ The backrest reclines to a maximum angle of 50 degrees, operated easily by the hand control and enabling the user to relax in comfort
- ▶ Front aperture in seat improves access for personal hygiene
- ▶ Can be used with or without covers; washable hygienic covers are easily fitted/removed and provide comfort when bathing (available in white or blue)
- ▶ Very low seat travel of 6cm (2.4") from bottom of bath allows improved water immersion, ideal for shallow bath
- ▶ A seat height of 48cm (19") enabling easy and safe transfers in and out of the bath
- ▶ At 9.3kg** the Bellavita is very lightweight making it easy to install and remove from the bath
- ▶ Separates easily and quickly into 2 lightweight sections for ease of fitting/removal, storage and transportation
- ▶ Contoured, slim-line profile further facilitates handling and gives a modern, aesthetically pleasing appearance to suit most bathrooms
- ▶ 4 quick release suction feet secure the lift in the bath. The front 2 are self-venting and flexible enabling easier install and added suction to the bath
- ▶ Lightweight, fully waterproof and floatable hand control with light touch buttons is easily operated
- ▶ Hand control recharges quickly for convenience and multiple use environments
- ▶ Indicator lights signal when charging is required and built in safety feature prevents bathlift from lowering without sufficient charge to return it to top of bath
- ▶ Emergency stop button is incorporated into hand control for safety
- ▶ Lightweight plastic frame is easy to clean
- ▶ Easily fits into most baths
- ▶ Wide range of optional extras, including a carry bag, covers, side flap sizes, belt systems and side flap bumpers
