

981 Infant Tilt In Space Chair

The Infant Chair is a new addition to our Tilt in Space Range. It has all the features of the Adult Tilt in Space range with the added benefit of a smaller seat width and depth making it ideal for children or small adults.

Features:

- Full Stainless Steel Frame with a 15 year frame warranty and 150kg safe working load.
- Adjustable headrest with mesh cover.
- Choice of Horseshoe, Toilet or Full seat.
- Choice of 3 arm styles, standard T Style; kinked in; kinked out.
- Clears a standard 360mm toilet
- Choice of footrest styles
- Adjustable 5" castors
- 2 year parts warranty
