

The next generation Seahorse Plus Toileting and Shower Chair is a development of the acclaimed Seahorse Sanichair. It has been completely redesigned following extensive user feedback, to add improved functionality whilst retaining the key benefits of the original Seahorse design.

It is now available in three sizes, to suit children from 5 years of age to young adult with removable liners for added comfort

## TOILETING

The Seahorse Plus can be used as a toileting chair, either with the large removable potty or over a toilet. The Seahorse Plus is fully height adjustable, making it suitable for use over most toilets.

**Removable Potty**

**Seat height adjustment  
(100mm)**

# SHOWERING & BATHING

The Seahorse Plus can be used either under the shower or over a bath.

The Seahorse Plus features gas assisted tilt-in-space, reclining from upright to 40° tilt. It also features a fully adjustable headrest to ensure the users head is well supported when the chair is tilted. Soft PU liners provide comfort and a lap-strap and optional harnesses ensure good positioning.

Over a bath
