

The background of the entire advertisement is a photograph of four teenagers. In the foreground, a young woman with blonde hair in a ponytail, wearing a light blue denim shirt and jeans, is seated in a bright blue QUICKIE wheelchair. She is smiling and looking back over her shoulder. Behind her, another young woman with long brown hair is sitting on a red QUICKIE scooter, also smiling. To the right, a young man in a black t-shirt and jeans is standing and holding a wooden stick, possibly a drumstick. In the bottom right corner, a young man in a red shirt is crouching down. The setting appears to be outdoors next to a light blue building with vertical siding.
