SPEED SETTING

Up to 6 Kph

Up to 15 Kph

>15 Kph

We herewith advise, that using the Triride with max. speed settings higher than 6kph is only permitted on public roads in certain countries and otherwise may only be used on private property. In the absence of approval, in accordance with the road traffic laws, the Triride with speed-settings >6 Kph may not be driven on public roads, bicycle-lanes and pavements. You need to inform yourself about the country specific legislation regarding usage and your legal obligation to insure the Triride with the speed-settings greater than 6 Kph.

When placing an order for a max. speed-setting higher than 6 Kph please confirm with your signature below, that you have understood the above information, you will follow strictly the country specific legislation and you will intend the usage of your Triride on private property.
